ABOUT ORGANISER

SIGMA SUMMIT
— 2018 —

In today's grooming digital world, the value of connecting healthy brains results in making new India, Incredible things happen when people come together, interact and inspire one another.

At **Enxpo Infomedia Pvt. Ltd**, our knowledge and passion for solar industry allow us to create a personalized environment which will leave everyone engaged in this field energized, inspired and excited.

Our goal is to make the events memorable and provide an environment that will help all attendees focus on their company and their goals. We are a Market-leading events company and we create the environments which allow businesses to flourish. Our ability to attract the right people and our skill under one roof will create memorable experiences by bringing thousands of like-minded people together.

IN BRIEF, WE DO

- Creating awareness about alternative sources of energy
- Seminars (National & International)
- Conferences (National & International)
- Publish magazines on Green Business
- Conclaves
- Round table Debates & discussions
- Road shows
- Exhibition
- Award & recognition

SCGJ- Skill Council for Green Jobs

SKILL COUNCIL FOR
GREEN JOBS

Skill Council for Green Jobs is one of the most recently launched initiatives of the Government of India aligned to the National Skill Development Mission. It is promoted by the Ministry of New and Renewable Energy (MNRE) and Confederation of Indian Industry (CII). The mission is to identify skilling needs of service users as well as manufacturers/ service providers, within Green Businesses sector, and implement nation-wide, Industry led, collaborative skills development & entrepreneur development initiatives that will enable meet India's potential for "Green Businesses".

SIGMA SUMMIT
— 2018 —

ABOUT EVENT

The objective of organizing this event is to provide a platform to the exhibitors of different countries to showcase their talent & latest technologies before the visitors of domestic & International market & enhance their skills by gaining knowledge through this event. It will also act as a significant platform to know about newer innovations & applications of renewable energy.

We will provide a unique platform to the medium & small Industries to know more about the importance of innovation and application in the field of renewable energy.

In today`s world, there is more emphasis on skilling so here we have uniquely designed a platform for the people to get trained & enhance their skills & get more & better chances to build their carrier in this field. We are providing a chance to our younger generation to showcase their skills before national/International people.

MAIN FOCUS OF THE EVENT

- Innovations
- Applications
- Skilling
- Standardization

OTHER BENEFITS

- Safety
- Quality
- Marketing/ Franchise
- Match making
- Joint ventures/Association/technology transfer
- Business Partner & Job fair
